TERMS AND CONDITIONS

It is agreed the buyer will pay all invoices within the stated terms and agrees to all terms contained in invoices supplied by seller as may be amended from time to time. In the event payment is not timely made, the buyer also agrees to pay a time-price difference charge (service charge) of the lesser of 1 ½ percent per month (18 percent per annum) or the maximum lawful rate on all overdue amounts, and to pay all collection costs incurred by seller in enforcement of the terms and conditions of this agreement, including court costs, actual reasonable attorney's fees and collection agency fees, within the standards of the industry, but not less than 25 percent of the unpaid amount of principal and accumulated service charge, all without relief from valuation and appraisal laws.

Buyer further agrees that any line of credit desired or approved is not a limitation of liability, and the undersigned expressly agrees that it will be responsible for valid charges in excess of a line of credit either desired or approved. Having obtained all necessary authority, the undersigned authorizes seller and its agents, attorneys and employees to investigate the credit standing, financial circumstances and responsibility of buyer and authorizes and instructs all persons having information concerning buyer's credit standing, financial circumstances and responsibility to release such information to seller, its agents, attorneys or employees. The buyer further grants to seller a security interest in buyer's equipment, contract rights, inventories, receivables and proceeds of sales as collateral to secure the buyer's performance of all obligations. The buyer hereby appoints any employee, agent, or attorney of seller as buyer's attorney in fact to endorse and file on behalf of buyer any UCC 1 form to perfect or record the security interest. All the information supplied by buyer is correct to the best of the knowledge of the undersigned, and the buyer understands that all goods or services purchased from seller are subject to all terms and conditions contained in this credit application and agreement and all other terms and conditions contained on any of the sellers invoices.

Calumet is only willing to sell its products pursuant to these Terms and Conditions and the General Terms and Conditions of Sale set forth at <http://www.calumetspecialty.com/termsforsale/>, which are hereby incorporated by reference into this document. Buyer agrees that all of its purchases of product from Calumet shall be governed by Calumet's General Terms and Conditions of Sale. Accordingly, buyer agrees that any terms either proposed by buyer and/or contained within a document supplied by buyer that are in addition to and/or different from Calumet's General Terms and Conditions of Sale, shall not apply to the purchase of products from Calumet.

If tax exempt, please include a copy of the exemption certificate. Application cannot be processed until certificate is received.
