To Our Valued Customers:

This letter was written in response to your recent request to certify that all cosmetic raw materials supplied by Calumet Refining, LLC are free from the allergens listed in the 7th Amendment, European Cosmetic Regulation, Annex III. Products used as cosmetic raw materials are manufactured at Calumet Refining facilities or at a contract manufacturing facility. Calumet Refining, LLC operations at Karns City, Pennsylvania and at Dickinson, Texas do not use any of the allergens listed and therefore are certified to fully comply with 7th Amendment of the Cosmetic Regulation. None of the following products contain any of the allergens as listed in the EU Regulation:

Calumet Refining Facilities

Petrolatum USP

Versagel® M 200, 500, 750, 1600

White Petrolatum USP

Versagel® ME 500, 750, 1600, 2000

Ointment Bases

Versagel® P200

Mineral Jellies

Versagel® MP1600

Mineral Oil USP

Versagel® MN750, MN1600

Light Mineral Oil NF

Calumet Refining Contract Facilities

The following Versagel® products are manufactured at a contract manufacturing plant. This contract manufacturing plant also produces fragrance-containing materials. Some of the allergens listed in the EU Regulation could be in the fragrance components of those materials. However, this plant follows a very stringent cleaning policy to prevent any possible cross contamination. After cleaning, these vessels are inspected and must be odor free prior to making a Versagel® product.

Versagel® MC750, MC1600

Versagel® MD500, MD1600

Please feel free to contact me should you have any further questions.
