**Calumet Refining, LLC Statement of Kosher Status**

Calumet Refining product Kosher status is dependent upon the plants that produce our products. Our Calumet Refining, LLC facilities, and all the products they produce, are fully Kosher Certified and the certificates are posted at:

[http://www.calumetspecialty.com/images/pdf/certifications/ou\\_kosher\\_certificates.pdf](http://www.calumetspecialty.com/images/pdf/certifications/ou_kosher_certificates.pdf)

All other Calumet Refining facilities, as producers of base oils, process oils, solvents and waxes, do not participate in the Kosher Certification process. Calumet Refining will confirm that products produced in these facilities, if they are 100% petroleum composition materials, are derived solely from crude oil and petroleum feedstocks. No animals are used in the processing of our oils, solvents and waxes.
